Where and What?

Most of our efforts currently are among the towns of Calera Victor Rosales, Zacatecas, Fresnillo, and the tribes in the Sierra Madres. These are located in Central Mexico in the state of Zacatecas and are traditional Mexican communities. The economy is largely agriculture and has one of the highest rates of poverty in Mexico. The predominate religion is Catholicism and less than 1% claim to be evangelical Christian

The E-VAN Corps will receive basic conversational Spanish, culture and mission perspectives, and corps devotionals. The EC will serve two weeks in the mountains of the Sierra Madres in tribal ministry, two weeks in public and park ministry, two weeks with a ground breaking children's home for street kids, two weeks of children evangelism ministry, two weeks of ministry construction, work with short-

term mission teams and much more. Team members will be challenged and stretched. At the end of the term members will elect and awarded "Outstanding Corps Member."

Application Requirements:

Applicants who have graduated from high school (18 or older) must have a recommendation from a pastor or co-pastor where they have or are attending church and a recommendation from a former teacher or employer (within the last two years).

Juniors or seniors in high school may apply with the two recommendations previously mentioned and a recommendation from a parent.

Cost: The cost is \$1250.00 US for the 10 week internship for room and board and must be paid a month prior to your arrival.
